

Matlab Fridays!

Feeling lost? No Problem! We'll help you get started!

Need a little help with...

- Topics in EGR150
 - GUI Final Projects
 - Practice
 - Test questions
- Control of Flow
 - Plotting
 - Image editing
 - Video/image capture
 - Audio capture
 - File I/O

Where: BEC 355

When: Fridays 5:00 – Until*

Why: More fun than your current plans.

*Depends on the number of students.

Mr. Myers (gmyers@uab.edu) and at least one TA.

Blaze approved.
